

Paediatric Rheumatology Trainees Meeting 2009

Thursday 10th & Friday
11th December 2009

The annual meeting of trainees in paediatric rheumatology will be held in Bristol this year. The program will include presentations of clinical topics by invited speakers, an update on research opportunities within the field and trainee case presentations.

Members of the rheumatology CSAC and training advisors will be available throughout the meeting to discuss training and career opportunities.

The meeting is open to all trainees at any stage of training with no previous experience in paediatric rheumatology required. General paediatric and adult rheumatology trainees will be warmly welcomed. For those keen to train in paediatric rheumatology this is an excellent opportunity to find out more about the speciality.

Venue:
UH Bristol Education Centre,
Upper Maudlin Street,
Bristol,
BS2 8AE
